

Mary Kay Furiasse is the founding attorney, of A/Z Health & Elder Law, a Life Care Planning Law Firm. She brings over thirty years of practicing law together with her clinical background as a nurse to A/Z Health & Elder Law. Mary Kay concentrates her practice in the area of elder law, focusing on representing seniors, individuals with special needs, and their families in connection with life care planning, public benefits, trust and estate planning, and long-term care advocacy. Mary Kay also practices in estate administration, asset preservation, supplemental and special needs trusts, planning for disability, guardianship and estate litigation. Mary Kay has earned the Board Certified Patient Advocate (BCPA) credential in addition to her Bachelor's in Nursing and a Masters in Health Law and has recently been appointed to serve on the Illinois State Bar Elder Law Council and serves on the Legislative Committee and is past chair of the DuPage County Bar Association Elder Law Section.

Mary Kay currently also serves as a member of AgeGuide on the Advisory Council and the Legislative Committees, one of over 600 such agencies throughout the United States, created by Congress to implement the Older Americans Act and coordinate a wide variety of services for persons 60 and older. Mary Kay is also a member of the National Aging in Place Council.
